Dear Artists,

The Saint Ignatius Art Show is excited to announce that artists that produce printed works on paper will have their own space to shine in 2019.

We have welcomed a new sponsor for the printed works category within our exhibition. This sponsorship allows us to create a new and innovative space that will feature the printed works in free-standing Perspex pillars.

Artists are invited to exhibit either:

- 6 portrait format prints (300mm wide x 350mm high)

OR

- 4 prints (300mm wide x 600mm high)

Artists are able to submit any print medium for this space, except collaged pieces.

If you, or someone you know, are interested in displaying works in this category and require further information regarding the requirements, please contact James Parker on 0404 064 602 or email artshow@ignatius.sa.edu.au

Applications close Monday, 11 March 2019.

For application forms and up-to-date news on our exhibition, please visit our new website <https://saintignatiusartshow.com.au/>

Kind Regards

Sally Goldsmith and Dana Lavenant
